

A Message from the WCS President

Welcome to an outstanding season of concerts by the Westchester Choral Society, celebrating our 69^t season!

The joy of communicating the power of choral performance is not without its limitations, however. The WCS consists of auditioned volunteer singers. Because ticket sales and substantial membership dues cover only about half of our season's expenses, including presenting the finest soloists and musicians, we ask for your support.

Your financial endorsement is vital, as is your presence at our concerts. Substantial validation by the Westchester Arts Council, the New York State Legislature, and by public, private and corporate sectors over the years is heartening. Please join our other donors in keeping alive the magic of our live choral performances, with energy flowing both ways between singers and audience. It is your commitment that enables us to continue our role as a prestigious award-winning leader in Westchester's cultural life.
